

Oh What a Day

Gareth Simmonds

Recorded in C# (Capo 1) | Tempo: 92bpm

C
Wandering in darkness, lost and alone
C
Needing a Saviour, light to be shown
Am F C
Knowing not where, or how He would save
Am F C
Oh what a night, Oh what a day!

C
A star of wonder shone through the night
C
A dusty stable, beholds Your light
Am F C
A Humble entrance, to pave the way
Am F C
Oh what a night, oh what a day!

C
So here we gather, to sing His praises
F G
Our humble King, came down to serve
Am C
His name is Jesus, He is our Saviour
F G C
Light of the world, Oh what a day

When did such meekness, and strength combine
A helpless baby, sweet love divine
The God of glory, before us lay
Oh what a night, oh what a day

F Am G
And still your glory is shining down
C Am F G
Your Holy Spirit, still surrounds
F Am G
Your love be with us, God we pray
Am F C
Through every night, in every day
